

New Year's Futures Cup

Player Registration Certification

The 2025 New Year's Futures Cup soccer tournament is sanctioned by US Club and by rule each player participating in the tournament and listed on the team roster must be registered for 2024-2025 soccer season. This is an Unrestricted Tournament and accepts teams and players registered through USYS, AYSO, USSSA, USCS, MLS Next and all International Associations. For out of state teams, I certify that all necessary travel permissions have been submitted through my association to travel out of state for this event.

Each player on the roster is required to have a valid current year's player registration and the coach or team manager must carry that player passes with them at all times and have them available for inspection at any time during the course of the tournament. MLS Next teams may use a screenshot of their Kitman roster showing players are approved. Manager/coach should have access to a medical release in case of player injury.

Each player should be listed on the team roster with the player's name, national association registration player pass number, and jersey number. Acceptable forms of rosters are printed copies of State and or National association rosters, GotSport roster or a printed form containing all the above information.

At tournament check in, each team must present a tournament roster with the above information for each player and a signed copy of this attestation (1 per team). Player passes will be checked at the field by the referees upon request.
